

Advisory Committee on Current System Evaluation

Task Force on Long-Term Care Financing and Chronic Care Management

May 4, 2006

8:30 a.m.-12:00 p.m.

8:30-8:45 Welcome, Introductions, Review Meeting Agenda- Rep.
Barbara Bailey and Kathy McCord

8:45–9:45 Provider Panel

Panel Addresses Questions on Current System

- a) Do individuals throughout the state know where to find information on long-term services and supports?
- b) Is the information understandable, useful and available at times and places needed by individuals throughout the state?
- c) Do individuals throughout the state know the public long-term services they can receive in a timely manner?
- d) Are there waiting lists for services in any areas throughout the state?
- e) Do individuals receiving services throughout the state have a strong voice in determining what services they receive, where they are received and who delivers those services?
- f) What services are essential for individual with disabilities and chronic conditions throughout the state?
- g) Are there certain essential services that are not available or sufficient in a certain geographic region of the state or to certain populations who need those services?
- h) What services are available to family caregivers throughout the state and is there sufficient support in different regions and for all populations?
- i) Are there adequate methods to ensure that quality services are being delivered in all areas and to all populations throughout the state?
- j) Are there state laws and regulations that should be revised and/or eliminated in order to reduce or contain costs, eliminate unnecessary barriers, and/or re-align incentives?

- k) Is the current array of services what the consumers of 2020 will be looking for to meet their long term care needs?
